NOTE: This summary includes all spawning fish surveys received through January 11, 2008. Surveys are listed by basin (north to south). Lower Columbia tributary information is listed at the end of the report. The counts included in the summary are for the principal target species for that survey and do not include counts of other species.

NOTE: This summary includes all spawning fish surveys received through January 11, 2008. Surveys are listed by basin (north to south). Lower Columbia tributary information is listed at the end of the report. The counts included in the summary are for the principal target species for that survey and do not include counts of other species.
